Winter Tire Tips

A pre-trip inspection is not only important for improving safety, it is also critical to ensuring the most efficient performance from the trucks. A few quick tips:

- Maintain proper tire pressure
- Monitor tread depths
- Watch for irregular wear
- Inspect suspension components

Our partners at ATBS have information that will help improve highway safety, reduced downtime, increased productivity and better on-time load delivery. [Learn more](#)

2019/2020 SCHOLARSHIP APPLICATIONS

Money For Trade School or College

The TSA Educational Scholarship Program was established in 2016. It provides scholarships and grants to help fund post-secondary education - college or trade school - for TSA members and their dependents.

Applications for the 2019/2020 school year will be available beginning January 2019.
