

## DID YOU KNOW?

To bring the most valuable benefit package we can to you, we are always seeking the most current and essential products and services available today.

As a result, we would like to introduce a unique opportunity that we believe can provide important protection for unforeseen and very costly medical transport.

### **Any Ground. Any Air. Anywhere.**

Today many Americans tend to believe their health insurance policies cover most, if not all, ambulance expenses. The truth is they likely DO NOT!

Even after insurance, the financial burdens that could arise due to extremely high medical transportation costs are very real.

#### ***Did You Know...***

- Emergent Ground Ambulance transports can easily surpass \$2,000 and can cost as much as \$5,000.
- Emergent Air Ambulance transports frequently cost more than \$40,000, and can be as high as \$70,000.
- If you are in need of specialized care and can be transported on a non-emergent basis, it is common for a medically equipped plane to cost more than \$20,000.

#### **ONLY MASA MTS provides you:**

- Coverage ANYWHERE in all 50 states and Canada
- Coverage for BOTH emergent ground ambulance and air ambulance transport REGARDLESS of the provider
- Non-emergent transport services that are frequently covered inadequately by your insurance, if at all

## SCHOLARSHIP DEADLINE: JUNE 28, 2019

### **Money for College or Trade School**

TSA members and their dependents are eligible for money for trade school or

college!

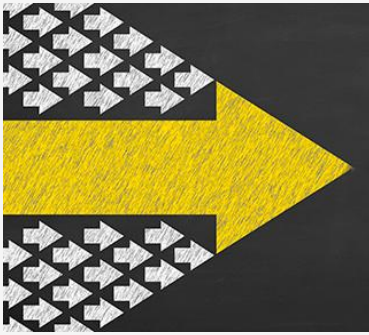

Scholarship applicants must be:

- high school graduates or seniors enrolling in an accredited junior college, four-year university or technical school,
- a member or a dependent of someone who is a TSA member at the time the scholarship or grant is issued.

Scholarships and grants are awarded annually in July. All applicants must fully complete a scholarship application and return it by the prescribed deadline to be eligible. [Apply Today!](#)
