Income Trends, Costs, & Predictions for 2018 and Beyond

Join TSA Premium Partner ATBS for the 2018 Mid-Year ATBS Independent Contractor Benchmarking Conference Call. ATBS tracks and analyzes the financial data of 15,000+ fleet owner-

operators and identifies key trends including income, fixed and variable costs, retention, and more.

On this call they'll talk about trends and provide a comprehensive report on the state of the trucking industry from the first half of 2018 as well as research and experience based predictions on how long we can expect to see current market conditions last.
